Subject : Proposal for Organizing a Seminar/ Workshop

Sir,
We are planning to organize a roadshow event, **Azure Kickin'**, this is a chained event, which will be conducted at various places throughout November. This event is sponsored by **Microsoft Student Partner (MSP)** and **GitHub** Campus Program.

Microsoft Azure Kickin' is a hands-on session for students so as to open a horizon of Cloud Computing and Development. This session includes not only a mere hands-on about Azure, but we'll eventually provide information about Microsoft Imagine Cup (Hackathon) and WeCBR which is an organization working on connecting colleges all across India.
.
Refer to the following list of topics we'd be covering and our speakers.

1) Introduction to Azure
   - Principle of Cloud Computing
   - Introduction To Azure
   - Create an Azure Account
   - Azure Architecture and service guarantee

   By Rohan Arora (MSP MSIT)

2) Microsoft Imagine Cup (Hackathon)
   By Naveen Lakhchaura (MSP MAIT)
   And Rishab Bansal (MSP and Github Campus Expert NIEC)

3) Orientation Of WeCBR
   By Mridul Gandhi (Club Captain)
   And Rohan Arora (Club Captain)

4) Quiz and goodies distribution

Sincerely,
Rohan Arora (3rd CSE MSIT)
Microsoft Student Partner
